**Callaway Police Dept**

Uniform Allowance Policy

It shall be the policy of the City of Callaway that a clothing allowance for the Callaway Police Department will be \$500 per year. The City will pay the vendors and if the employee pays for uniforms themselves the City will reimburse the employee. This method does not subject the employee to taxable income. It also insures that the money is being spent for the intended purpose.

Uniform items damaged in the line of duty will be replaced at no cost to the employee. Items damaged or lost due to employee negligence will be the employee's responsibility to replace at his/her own cost.

If the budget is not used in its entirety the balance remains with the City and is not carried forward.

This policy adopted on July 14, 2015
